WELCOME TO THE CITRUS SUSHI EXPERIENCE

A different, fun and creative meal,
where you'll enjoy delicious sushi dishes.

But if you thought it was just about eating,
you're wrong.... it's time to get your hands a little
dirty and learn how to cook those Uramakis that
you love so much. Do you dare?

We don't want to put any pressure on you, but there will
be a competition.... It's time to bring out the "sushi man"
that you have inside!

Each member of the group will prepare Uramakis rolls
at our Japanese bar, and when all the dishes are finished,
our chef will choose a winner.

But don't worry, our "sushi man" will be with you
and he will cook live during
the whole meal, exclusively for you.
